Chapter 1 by Fabian Campuzano Ferrara

One day when we were treat or treating from house to house we were getting candy from them. But when we went to a dark house with no lights on, we thought they were inside. So we were going to knock on their door for candy. There was an old lady on a chair and there was another person in their garage. When we were getting candy from the old lady the man comes out screaming, we ran towards my mom. The man was big and scary, he had a big bloody pickaxe! He told us to go in his garage because he needed help with some stuff. We walked into the garage and he told us to get inside the oven that was out there. And I said "NUH UHH!!" and ran outside. I was gone, I ran as fast as I could. So then I walked to another house and go to my friends house he gave me a lot of candy. He also gives my sister and my other 3 brothers a lot of candy. He also tells me to go inside with him and eat pizza and some cupcakes but I said no, because I barely knew him
